

# Hay Group

## Glasgow office location

8 Elliot Place, Clydeaway Skypark, Glasgow, G3 8EP t 0141 226 8770 f 0141 226 8771

### How to find us

Hay Group is in the Skypark Complex off Elliot Street.

#### By car

##### From the East

From junction 19 on the M8 take the Anderston exit. Turn right at the traffic lights onto the Clydeside Expressway. Take the next slip road left for Finnieston and Scottish Exhibition Centre (SEC). From the right hand lane turn up Finnieston Street, turn right into Houldsworth Street and then right again into Elliot Street where you will enter the Skypark Complex.

##### From the West

Semi-permanent roadworks mean that it is not possible to exit left at junction 19 straight onto the Clydeside Expressway and drivers must follow signs for the city centre which take you into Bothwell Street. Take a left at the lights up the hill at Pitt Street. Turn left onto St Vincent Street and follow it as far as Elliot Street crossing over the motorway and through three sets of traffic lights as you go. Turn left into Elliot Street where you will enter the Skypark Complex.

#### By rail

##### Central station

Leave the station by the Hope Street exit and travel up Hope Street turning left at St Vincent Street. Continue on this road through the city and over the motorway at Charing Cross. Continue for another 400 metres and turn left up Elliot Street into the Skypark Complex.

##### Queen Street station

Leave the station by the George Square exit. Travel to the other side of the square into St Vincent Street and turn right. Then directions are the same as from Central Station.

#### From the airport

A taxi from the airport should take about 15 - 20 minutes.
